BEGINNER LEVEL 2: 6-12 YRS.

Taaqademy's music teachers are carefully chosen for their musical ability, teaching aptitude, live performance experience and music qualifications - pretty much in that order. We can confidently claim to have some of the country's top musicians with us. As a result, we use a proprietary method of '**Skill Maps**' to bring structure and focus

to our classes, enabling our musicians to **avoid cookie-cutter methods** when working with students. Skill Maps provide **detailed specifics** on what students should be able to accomplish at every level while allowing our teachers to use their own **unique approaches**, songs, techniques and shortcuts to get students there!
