ADVANCED LEVEL 3

Taaqademy's music teachers are carefully chosen for their musical ability, teaching aptitude, live performance experience and music qualifications - pretty much in that order. We can confidently claim to have some of the country's top musicians with us. As a result, we use a proprietary method of '**Skill Maps**' to bring structure and focus

to our classes, enabling our musicians to **avoid cookie-cutter methods** when working with students. Skill Maps provide **detailed specifics** on what students should be able to accomplish at every level while allowing our teachers to use their own **unique approaches**, songs, techniques and shortcuts to get students there!

HOW LONG WILL THIS TAKE?

This question gets asked a lot! Allow us to give you a simple rule-of-thumb:

- At this level, if you **consistently** practice an avg. **1-3 hr. per day**, you can expect to have covered the above in **10 - 12 months (40 - 48 classes)**.
- If you practice around **2 hrs. per week**, this could **add 1 - 2 months**.
- If you practice **<1 hr. per week**, you could take **18 months!**
